

The Lawn That Mows Itself.

Navimow robotic mowers — sold, professionally installed, and supported locally by the team at Zippy Lawnz.

Why Robotic Mowing	02	The Zippy Difference	03	How It Works	04	Navimow X4 Series	05
X430 vs. X450	06	Terranox Commercial	07	MowGate	08	Service & Warranty	09

WHY ROBOTIC MOWING

Get Your Weekends Back.

A robotic mower trims your lawn a little at a time, on its own schedule, so it always looks freshly cut — and you never push a mower again.

**Healthier, Greener Lawn**

Frequent light trims leave fine clippings that return to the soil, keeping grass even, thick and neat every day.

**Built-In Safety**

AI-powered 360° VisionFence™ recognizes 200+ obstacles, including people and pets. GPS tracking, geo-fence and lift alarms, plus Apple Find My.

**Eco-Friendly**

All-electric with zero direct emissions. No gas cans, no fumes, no spills in the garage.

**Local Install & Support**

Zippy Lawnz sets it up, maps your yard, and stays with you for service and warranty support after install day.

**Time & Money Back**

No weekly mowing, gas, oil or pull-starts — and no waiting on a mowing crew to show up.

**Quiet Operation**

Under 68 dB(A) — about as loud as a conversation — so it can mow while you work, relax or entertain.

**Fun to Own**

Control it from the Navimow app: GeoSketch™ real-scene maps, up to 120 zones, schedules, Alexa & Google Home voice control, even lawn Doodle graphics.

Is your yard a good fit?

Map your lawn at ZippyLawnz.us or call **410-725-7500**.

THE ZIPPY LAWNZ DIFFERENCE

We Don't Just Sell Mowers. We Stand Behind Them.

Zippy Lawnz is an authorized Navimow dealer and service center. From your first lawn map to years of hands-free mowing, you work with a local team that knows your yard and your mower.

AUTHORIZED DEALER

SERVICE CENTER

LOCAL SUPPORT

**Professional Installation**

We set up the charging station, map your lawn boundaries and no-go zones, set your mowing schedule, and walk you through the app.

**Real Technical Support**

Questions after install? You talk to the same local team that set up your mower.

**Warranty Service, Handled**

As an authorized service center, we take care of Navimow manufacturer warranty service for you, close to home.

**Mowers & Parts In Stock**

We keep mowers, parts and accessories on hand so installs and repairs don't wait on a shipment.

**The Right Mower for Your Yard**

We size the solution to your lawn's acreage, slopes and zones — so you buy what your property actually needs.

**See Our Installs on YouTube**

Watch real Zippy Lawnz installations and how-to videos before you buy, and anytime after.

PROUDLY SERVING

HOW IT WORKS

From Lawn Map to First Mow.

Four simple steps, and we handle the hard parts. No boundary wire to bury and no guesswork about which mower to buy.

1

Map Your Lawn

Start at ZippyLawnz.us. Our Site Profiler lawn-mapping tool measures your yard from satellite imagery so we can plan the right setup before we visit.

2

Get the Right Mower

We match the mower to your property: **X430** for lawns up to 1 acre, **X450** up to 1.5 acres, and **Terranox** for 3–6 acre commercial grounds. Fenced yard? Add **MowGate**.

3

Professional Installation

We place the charging station, run auto-mapping, set zones and no-go areas like pools and flower beds, schedule your mowing and show you the Navimow app.

4

Enjoy — We've Got You

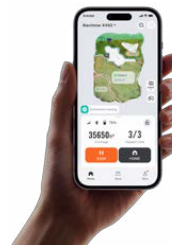

Your mower keeps the lawn trimmed on schedule. We're a phone call away for questions, service and warranty support.

Auto-mapping recognizes lawn boundaries

Up to 120 zones & no-go areas in the app

GeoSketch™ shows a top-down, real-scene map of your yard with drag-to-edit boundaries.

NAVIMOW ACCESSORY

MowGate

Seamless Access. Smarter Mowing.

Automatically opens and closes your gate so your mower can cover every zone — front yard, back yard and side yard — hands-free.

Fenced yard with separate zones?

Ask us about adding MowGate when we plan your installation.

Auto Lock

Safe for Pets

Fits Most Fence Types

Up to 9-Month Battery

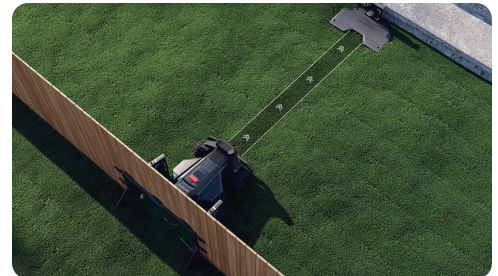

All Weather

Hands Free, Effortless

A built-in hall-sensor system detects your mower's approach and automatically unlocks.

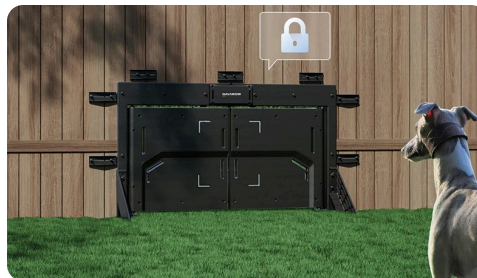

Freedom to move between yards

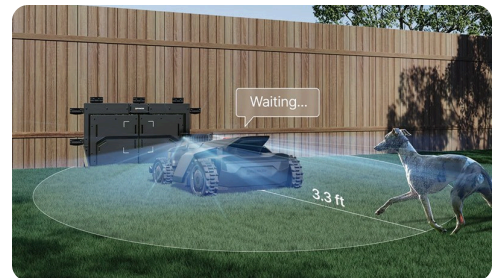

Smart cross-zone charging

Smart On & Off, Pet-Safe Always

Scans a full 360° area before unlocking, checking for nearby pets. Once clear, the mower passes through — then MowGate closes and locks itself automatically.

Auto-lock peace of mind

Smart 360° pet protection

SPECS

Opening: 33.5 × 17.7 in

Weight: 29.1 lbs

Power: 4 D batteries (not included)
